Legislator John Fitzak

A zoom meeting was held for EMS services as new legislation is coming out. There might be some opportunities to help out this side of the county.

There are rumblings that the Clean Energy Program may cut back on funding. Legislator Fitzak informed the Board if there are any projects in the works, get them completed before they cut the funding.

Next Tuesday there will be a second district court public hearing at 7:00 p.m. in the Legislative Chambers.

RESOLUTION 2024-20

At a meeting of the Town Board of the Town of Murray, duly held on May 29, 2024, Councilperson Christ moved adoption of the following resolution; Councilperson Bower seconded the motion:

BE IT RESOLVED, that the Town Board of the Town of Murray authorizes the Town of Murray Highway Superintendent to enter into the Right-of-Way Mowing Contract with New York State for the period of June 1, 2024 through October 30, 2024.

Upon being put to a vote, the resolution was unanimously adopted.

Brief discussions regarding a culvert replacement on Brockport Holley Road, and Deposit & Investment policy's that the auditor's suggested the Town adopt.

The Planning Board will be meeting to discuss overlay districts within the Town as we would like to encourage development.

Old Business

Dirk has been working on the Holley-Murray water contract with the village.

Discussion regarding the proposed water line extension. The health department is fine with the proposal. We were able to add three more property owners for the extension which brought the bond repayment down to an acceptable level. Water sampling will be done at the six homes which will help bolster our case for the grant. Councilperson Elaine Berg stated that Supervisor Rightmyer has spent a tremendous amount of time on this project and has run into many road blocks. Legislator Fitzak stated that Congresswoman Tenney has grant money available for projects like this. Supervisor Rightmyer informed all that whatever amount of funds we receive will be taken off of the grant funds the Town will receive.

Motion by Christ, Seconded by Berg approving the supervisor’s financial report and to pay the following bills: Motion Carried
